Good morning.
Welcome to Grafana.
Recent dashboards 0
Starred 0
Dashboards you've recently viewed will appear here.
After you've connected data, you can use dashboards to query and visualize your data with charts, stats and tables or create lists, markdowns and other widgets.
+ Create your first dashboard
Firing alerts
You have no firing alerts.
+ Create an alert rule

Grafana mobile app
Oct 16
Get observability in your pocket with the Grafana mobile app
When you're on the go, your phone is often the only observability tool you have. And what you can do with it in the first few minutes matters.
